PROFESSIONAL PROFILE

Content, SEO & GEO specialist and founder of Content Studio, with 3 years of experience in SEO content strategy, editorial leadership, and multichannel marketing across EU and US markets. At Digiword, I led a team of 10+ writers producing 40+ pieces per month, with several articles ranking in Google's top 3. At GE HealthCare, I contributed to an international product launch for B2B healthcare audiences, creating content for every channel from LinkedIn to websites, newsletters, and video. Today, I help businesses get found on Google and cited by AI search tools. Fluent in French, English, and Arabic.

PROFESSIONAL EXPERIENCE

Founder October 2026 – Present

Content Studio – Content, SEO & GEO agency | Paris, Île-de-France

- Helped restaurants increase their online visibility so they are found on Google and cited by AI search tools (GEO)
- Wrote and optimized web content built around search intent: clear structure, direct answers, on-page SEO
- Built a visibility diagnostic tool for restaurant owners (score and top 3 priorities) and AI-assisted automations for content and SEO tasks

Marketing & Communication Intern February 2025 – August 2025

GE HealthCare, Île-de-France

- Contributed to the global launch of a new interventional imaging system, from solution positioning to the full communication plan across EU and US markets
- Created and published B2B assets for digital and print (emails, newsletters, LinkedIn and Facebook posts, videos, banners, activations), adapting messages to each audience
- Managed and updated 13+ web pages on Sitecore and Adobe Experience Manager, ensuring editorial quality, consistency, and user experience, including organic SEO with US-based experts
- Ran the corporate LinkedIn presence: editorial planning, content and visual creation, performance tracking
- Wrote consumer blog articles on lifestyle and editorial topics and created short videos, from script to editing
- Coordinated 5+ video shoots and webinar email campaigns, from briefing and vendor management to delivery
- Facilitated weekly alignment across 5 departments, improving cross-team coordination and execution speed by 60%

Freelance Content Editor August 2023

Shopify e-commerce project

- Edited and proofread the content of a Shopify website, including the homepage and each product page
- Rewrote content to make it clearer and easier for shoppers to understand, with a UX writing approach

Content Manager & SEO Content Strategist July 2022 – January 2024

Digiword Agency – Remote (United States) | Promoted to Content Manager (November 2022)

- Led content strategy for a key client (new website, zero domain history), generating qualified organic traffic and leads
- Led a team of 10+ writers, overseeing 40+ content pieces per month for quality, SEO alignment, and deadlines; trained and onboarded new writers on editorial standards, production processes, and SEO best practices
- Wrote and optimized 50+ SEO articles for multiple B2B clients, from keyword research to on-page optimization, with several ranking in Google's top 3 and cited by AI search tools
- Used AI tools to generate topic ideas, develop strategies, and produce blog briefs at scale
- Defined brand voice guidelines with clients and managed social media, editorial calendars, and communication plans for 4 B2B clients
- Produced email campaigns via Mailchimp and WordPress, adapting content to each brand's goals and identity
